

VISITING VIENNA - TIPPING IN VIENNA!

TIPPING IN RESTAURANTS...

Most restaurants and cafes do not include a service charge in the final bill. While tipping is not mandatory, not leaving a tip means you were dissatisfied with the service.

NO TIP? NOT COOL. But - how much to tip?

As a general rule, expect to tip around 10% to 15% of the bill as a gesture of appreciation.

We are delighted to welcome you to our traditional Viennese café and wish you a pleasant stay in our wonderful city.

Sincerely,
Christina Hummel & Team

CAFÉ RESTAURANT HUMMEL

Café Restaurant Hummel has been family-owned and operated since 1935. Christina Hummel is now the third generation of coffee-roasters to continue the tradition of excellence and service.

Declared a UNESCO Intangible Cultural Heritage, Viennese coffee house culture is something we feel very strongly about. At Café Restaurant Hummel we are committed to preserving and innovating the authentic flavors of Austrian cooking and coffee traditions of Vienna.
